→ ABOUT US

The Maritime Research Center(MRC), Pune in partnership with the Indo-Swiss Centre of Excellence (ISCE) are hosting a workshop series to promote an institutionalised skilling ecosystem for effective realisation of the Underwater Domain Awareness (UDA) framework in the tropical littoral waters of the Indo-Pacific region. The event is sponsored by the HT Parekh Foundation.

→ OUR VISION

To promote safe, secure, and sustainable growth in the tropical littoral waters of the Indo-Pacific region.

→ OUR MISSION

- Capacity and Capability Building
- Digital Ocean Framework
- Sustainable Livelihoods
- Empower communities
